

I Looked All Over Town - Magnetic Fields

Intro

G G C D G D

/Verse 1\

G C
 I wandered in these big blue shoes
 D G D
 'till we had nothing left to lose
 C D
 Nobody wants you when you're
 Em D C
 ... a circus clown
 C Am
 I should know
 Am D G
 I looked all over town

Interlude

G G C D G D

/Verse 2\

G C
 I guess folks just don't like my face
 D G D
 They make out like I'm some disgrace
 C D
 But nothing's gonna change
 Em D C
 ... This painted frown
 C Am
 And I know
 Am D G
 I looked all over town

Interlude

G G C D G D

/Verse 3\

G C
 Maybe somewhere I could be free
 D G D
 Somewhere they won't throw rocks at me
 C D
 Somewhere this crazy hair
 Em D C
 .. Could be my crown
 C Am
 But on my life
 Am D G
 I looked all over town

Interlude

G G C D G D

/Verse 4\

G C
 So whistling a circus tune
 D G D
 I inflated one more balloon
 C D
 And as I floated up
 Em D C
 .. I looked straight down
 C Am D G
 and I looked all over town
 G7 C
 ... one last time
 C D G
 I looked all over town

Outro

Either just play a single-strum G, or on a high-g, play the natural harmonic on the G string by very gently touching it at the 12th fret while plucking halfway between the 12th fret and the bridge, then immediately removing both fingers and letting the string ring out an octave higher than normal.
