Intro

Am Dm F
 C E7 Am

Chorus 1

Little girl, little girl
 don't lie to me
 Tell me where did you sleep last
 night?
 In the pines, in the pines
 where the sun never shines
 We'll shiver the whole night
 through

Verse 1

My daddy was a railroad man
 Killed a mile and a half from here
 His head was found in the driver's
 wheel
 His body was never found

Chorus 2

In the pines, in the pines
 where the sun never shines
 We'll shiver the whole night
 through

Verse 2

You've caused me to weep
 You've caused me to mourn
 You caused me to lose my home

Chorus 3

Little girl, little girl
 Where'd you sleep last night?
 Not even your mother knows
 In the pines, in the pines
 Where the sun never shines
 We'll shiver when the cold winds
 blow
