

# It's Not - Aimee Mann

## Verse 1

C Am Em  
I keep going round and round on the same old circuit

C Am Em  
A wire travels underground to a vacant lot

F Em Am  
Where something I can't see interrupts the current

F G Am Asus4 Am  
And shrinks the picture down to a tiny dot

F Em7 Am Am7  
And from behind the screen it can look so perfect

F C G  
But it's not

## Verse 2

C Am Em  
So here I'm sitting in my car at the same old stop light

C Am Em  
I keep waiting for a change but I don't know what

F Em Am  
So red turns into green turning into yellow

F G Asus4 Am  
But I'm just frozen here on the same old spot

F Em7 Am Am7  
And all I have to do is to press the pedal

But I'm not <sup>F C G</sup>  
But I'm not <sup>Am F C E7</sup>

### *Bridge*

Am People are tricky <sup>F</sup> you can't afford to show <sup>C G</sup>  
Am Anything risky anything <sup>F C</sup> they don't know <sup>G</sup>  
The moment you try - I'll kiss it goodbye <sup>E7 Am G F</sup>

### */Verse 3\*

So baby kiss me like a drug, like a respirator <sup>C Am Em</sup>  
and let me fall into the dream of the astronaut <sup>C Am Em</sup>  
Where I'll get lost in space that goes on forever <sup>F Em7 Asus4 Am7</sup>  
And you'll make all the rest just an afterthought <sup>F G Asus4 Am7</sup>  
And I'll believe it's you who could make it better <sup>F Em7 Asus4 Am7</sup>  
Though it's not <sup>F C G</sup>  
No it's not <sup>Am F C Em</sup>  
No it's not <sup>Am F C</sup>
