⌐**Verse 1**¬

               D   G   D   G
I've worked so long,   every night and every day
                 D   Bm   Em
Been through hours and hours of research and dozens
           A
of graves
               D   G   D   G
The perfect girl -- turns out was just too hard to find
Em   A
... So I had to make her, but can I make her mine?
G♭m   B
Will she be friendly?   Or will she break free?
         Em   G   A
Will she terrorize the villagers?   Will she notice me?

⌐**Verse 2**¬

G Em A
            D   G   D   G
I know I'm smart,   but a madman's all they see
              D   Bm   Em
Now there's finally a person, who might love me for
   A
me

             D   G   D   G
She holds my heart,   like the way that I held hers
Em   A
... The one from the cadaver Igor just disinterred
G♭m   Bm
... Left nothing to chance now,   double-checked
every stitch
        Em   G   A
The Tesla coils are charging up,   Igor through the
switch

⌐**Verse 3**¬

                 D   G   D
Now here they come,   sounds like the rabble's roused
G
again
                 D   Bm   Em
With their torches and their pitchforks, about to break
   A
in
                D   G   D
There's just no point   in trying to make them
        G
understand
Em   A
I'll wait here by her gurney, holding on to her hand
G♭m   Bm
Her eyes open slowly,   she gives me a smile
Em   G   A
Now we've got each other,   at least – for a while
