

Maybe - The Submarines

Original in B/E/F#

Intro x2

C F

/Verse 1\

There is a sign among the remnants
Of all our words, best left unsaid
And when the truth, flies in our direction
Do we work it through or lose our heads?

Chorus

Maybe, maybe
Maybe we're strong
But maybe, maybe
Maybe we're wrong

Instrumental

C F C F

/Verse 2\

For such a long... time... now
We're doing battle with our own familiar
inhibitions
Far away from home
Our trusty compass fails to find this
strange and new position

Can we leave this struggle behind?

Chorus

Maybe, maybe
Maybe we're strong
But maybe, maybe
Maybe we're wrong

Bridge

La la la-la, la la, la-la
La la la-la, la la, la-la

Instrumental

C F C F

/Verse 3\

One thing is sure - I'll always love you
And if you should go I will pretend
That I never needed, you or anybody
Never wanted to call us just friends

Outro chorus x2

So maybe, maybe
Maybe we're strong
But maybe, maybe
Maybe we're wrong

Outro instrumental
