

Everything Right Is Wrong Again - They Might Be Giants

Chorus

C G G
Everything right is wrong again, just like in the long long
C
trailer
C C#dim Edim F
all the dishes got broken, the car kept driving
Dm G
and nobody would stop to save her

Verse 1

C G F
Wake me when it's over, touch my face
C F G
tell me every word has been erased
C F
don't you want to know the reason why the cupboard's
C F G
not appealing - don't you get the feeling
C G F
That everything that's right is wrong again
C F G
you're a weasel overcome with dinge
C F
weasel overcome but not before the damage
C F G
done - the healing doesn't stop the feeling that

Chorus

Bridge

F G C
And now this song is over now and now this song is over
now and now this song is over now
F G C
this song is over now

(half tempo) Chorus

C G
Everything right is wrong again
G C C#dim Edim F
every movement false, every four is waltz again
Dm G
every five and dime's been gained and spent

Verse 3

C C F
Tell me that you like my float upstream
C F G
draw the line dividing laugh and scream
C F
you know everything that I know, so I know you've
C F G
heard the voice that makes the silent noise that says that

Chorus

C G F
That everything that's right is wrong again
C F G
you're a weasel overcome with dinge
C F
weasel overcome but not before the damage
C F G
done - the healing doesn't stop the feeling that

Chorus

Bridge

F G C
And now this song is over now this song is over now
